

## MINUTES

### REGULAR TOWN COUNCIL MEETING

FEBRUARY 10, 2026

7:00 P.M.

#### **Lack of Quorum**

Mayor Karen Frable-Moss ruled that the meeting was not able to move forward because of a lack of quorum number of Council members. Only members Baker and Lauzon were present. Amy Call and David Ball (who arrived later) were also present as citizens. Dennis Carney, Zoning Administrator/Planning Consultant, was also present.

There was a brief discussion of the items on the agenda. Mayor Frable-Moss described the finance report. Ms. Call pointed out that she had attended the Board of Supervisors meeting and was concerned about a potential County Dog Pound proposal within the residential area of the Town. She urged Council to attend the March 10, 2026, Board of Supervisors meeting to show solidarity against the proposal and indicate that there are other areas where the Town and County could work together.

Mr. Carney reviewed his Staff report. This included an update on violations, gratitude to VDOT and Dominion Power for snow removal and the continuation of power during the recent snow and ice storm. He also added that the lack of quorum tonight is a good argument for amending the Town Charter and reducing the large six-member Town Council to four which was proposed and failed last year.

There being no further discussion, the discussion ended at 7:25 p.m.
